DIA Declassification/Release Instructions on File

MEMORANDUM FOR: Chief, Map Library Division
Acting Chief, Geography Division

SUBJECT: Attache Reporting

1. Because of the recent incident in the USSR involving several military attaches, a survey is being made of the usefulness of their reporting. The Collection Guidance Staff has been charged with providing answers on two questions, as follows:

a. What has attache reporting done for us in the past?

b. What can attache reporting do for us in the future which no other collection program will be able to do?

2. Answers to these two questions should be routed through this office no later than COB, 10 November to meet the CGS deadline. The memo should be addressed to Chief, Operations Branch, Human Resources Group, CGS/IDI, Attn: [REDACTED] Thru: Ch/G.
